

Bala Bed

Based on a true copy of a very elegant and simple Goan bed Max saw while staying with friends, the Bala Bed works beautifully both pared back to showcase the handcrafted wooden frame or covered with a canopy. The bed is made in walnut with turned balustrading to the head and foot boards.

The dimensions below refer to the bed depicted, which is 5'6" wide. All Max Rollitt Bespoke beds are made to order, according to client requirements; these can include fabrics, divan and mattress, as well as the frame itself.
