

New Gloucester Bed

Inspired by the clean lines and skilled craftsmanship of the Shaker movement, the restrained form of this bed encapsulates the essence of early nineteenth century design. The tapering octagonal posts are capped with a simple cornice and turned finials. An upholstered headboard adds to the colour and comfort of the design.

The dimensions below refer to the bed depicted, which is 5'6" wide. All Max Rollitt Bespoke beds are made to order, according to client requirements; these can include fabrics, divan and mattress, as well as the frame itself.
