

Slipper Chair

Based on a model that Max bought from a Hampshire estate, this comfortably proportioned low slung Georgian style chair is perfect by the fire or as a pair in the drawing room. Made with solid beech frame and walnut legs, the chair is traditionally upholstered and can either have fixed upholstery as shown in traditionally woven striped horsehair fabric, or a loose cover shown here in yellow linen. Requires 2m fabric (plain and standard width).

The dimensions below refer to our standard size, but these can be altered according to client requirements. For more information, including pricing and lead times, please press the 'ENQUIRE' button or email bespoke@maxrollitt.com.
