

Lorimer Table

A stylish table designed in the manner of Sir Robert Lorimer, an exponent of the Arts and Crafts movement. Handmade using traditional techniques, with an oxidised solid oak base and scrubbed sycamore top, this table can be either a dining table or an imposing centre table. Seats 8-10 when made as dining table.

The dimensions below refer to our standard size, but these can be altered according to client requirements. For more information, including alternative finishes, pricing and lead times, please press the 'ENQUIRE' button or email bespoke@maxrollitt.com.

Height: 72cm Diameter: 182cm
