

Hepburn Sofa

A luxurious, traditionally upholstered winged sofa that can be paired with our Hepburn Armchair. Generously proportioned, with soft cushioned seat and back, the suite was originally designed by us for a client's cinema room and inspired by antique Howard examples. Solid handmade beech frame upholstered with down and feather on seat and back and solid walnut tapered legs ending in hand-cast brass castors based on original period designs.

Requires 18m of plain standard width fabric.

The dimensions below refer to our standard size, but these can be altered according to client requirements. For more information, including alternative fabrics and finishes, pricing and lead times, please press the 'ENQUIRE' button or email bespoke@maxrollitt.com.
