

Large-Scale Oval Mahogany Library Table, circa 1805

An impressive oval mahogany library table, the framed and panelled top covered in an umber calf leather hide, which has a lovely worn feel. The edges cross-banded and bordered with a triple-bead moulding. The frieze borders framed in mahogany bands. Standing on turned and reeded legs terminating on brass-cupped castors with large spoked wheels. Circa 1805.

Height: 75 cm Width: 214 cm Depth: 153 cm

REF: A00155
