

Pergano Lampshade

A perfect partner to our Library Light, the Pergano Lampshade creates a beautifully ambient light that gets better over time. Crafted from an Italian-made card that looks and feels like traditional parchment, it also oxidises in the same way, causing it to darken in colour (as demonstrated by the images above). This process is expedited by direct sunlight.

For more information, including pricing and lead times, please press the 'ENQUIRE' button or email bespoke@maxrollitt.com.

Dimensions: 5.5" base x 2.5" top x 4" slope

REF: B-PERGS
