Pair of Hand-Painted Satinwood Demi Lune Tables, circa 1780

An exquisite pair of eighteenth-century satinwood demi lune tables, the tops decorated with inlay and hand-painted floral swags, birds and butterflies. Decoration continues throughout the frieze and square, tapered, collared legs. One of the table's finish restored in antiquity, the other arguably more charming for its untouched condition.

Height: 87cm Width: 149.5cm Depth: 60cm

REF: A00805

£18,000.00
