

Chess Lamp

It was the vase turning of the original Chess Lamp that caught Max's eye at Newark Antiques Fair. Reminiscent of a pawn on a chessboard, it's equally as easy to place in any one of the four available finishes: ebonised, aged oolite; matte lapis; or oiled and waxed.

For more information, including pricing and lead times, please press the 'ENQUIRE' button or email bespoke@maxrollitt.com.

Height: 44 cm to top of bulb holder Width: 12.5 cm

REF: chesl
